

**SPECIAL BOARD MEETING**  
**Wednesday, April 29, 2026**

**Board Members Present:** Eric Magette, Tim Pringle, Mike Keltner and Amy Jankowski

**Others Present:** Carol Wolford and Sean Zaudke.

Eric Magette noting a quorum, called the meeting to order at 6:33 p.m.

**Public Comments:** None

**Building Renovations:** Sean Zaudke discussed various renovation options. His discussion included but was not limited to, installing a sprinkler system, the need for firewalls and fire doors, HVAC, electrical, bathrooms and the need for access to the attic space. He highly recommended a sprinkler system be installed which allows for full use of the basement space. He recommend installing a HVAC system larger than currently needed so when the library was ready to renovate the north section the HVAC system would be large enough to handle the additional space. He further recommended the bathrooms be installed on the south end of the building due to easy access in the basement for plumbing. He added that if the north side of the building was chosen for the bathrooms, the library would be forced to remove a large amount of concrete flooring in order to install a proper sewer line. No further action was taken and the meeting adjourned.

**Next Board Meeting:** The next board meeting will May 19, 2026, at 6:30 p.m.

Meeting adjourned at 7:49 p.m.
